The highest-priority need is for foster homes for sibling groups and children from minority groups. An informational table will be set up in the Atrium following the morning service.

## What was the big idea?

## How does this apply to my life?

## What are my next steps?

**Hilltop's 2 x 2** is calling all members to team up with one to three other Christians for a weekly gathering around a spiritual conversation offered by Hilltop. Whether you meet over coffee at your home or a coffee shop, tackling our weekly challenge with one to three other Christians will transform your life.

Scripture: Matthew 5:17-26

Question: In verse 20, Jesus tells us that our righteousness must exceed that of the Pharisees. He is speaking about our practical righteousness, our obedience to God. How does one reconcile the demands of the moral law on the believer with the grace message and avoid either legalism (performance trap) or license?

Question: In what area do you struggle most with anger? What disciplines have you found most helpful in maintaining victory in this area?

Question: Is there someone in your life that you have offended, or are you carrying an offense from someone else?

Challenge: Share some ways in which you have been able to handle interpersonal conflict. If there is someone with whom you need to make peace, pray about the way God would have you do that.
