

HILLTOP HAPPENINGS

Spanish Ministry- El Shaddai

Thursday Evenings | 6:30 PM

Did you know that Hilltop has a Spanish Ministry? If you know someone who has been looking for a Spanish-speaking community to be a part of, invite them! Join Pastor David Hernandez as he leads a time of worship, prayer, and a message in Spanish. All are welcome. Our ministry provides a warm and welcoming environment where individuals and families can grow in faith and fellowship together.

Celebrate Our Grads!

Sunday, May 19

We are so proud of our high school graduates and their accomplishments. We want to share that excitement with our church family on Sunday, May 19. You'll have an opportunity to meet each graduate following our morning service and offer them a prayer or note of encouragement. Each graduate will have a table in the Atrium; stop by and wish them well. If you would like to write them a note of encouragement, we will have cards available for you to do so, or feel free to bring your own!

Congratulations to the Class of 2024:

NEW! The BLESS App

**Make BLESSing Your Neighbors
A Daily Habit.**

The BLESS initiative challenges us to use 5 simple, everyday, biblical practices to "love your neighbor and change the world." Summer is the perfect opportunity to reach out to your neighbors, networks, and beyond and invite someone to a barbecue, an evening walk, or a coffee. The BLESS practices are:

Begin in prayer - Begin each day in prayer for someone in your neighborhood, network, or beyond.

Listen - The meeting is about showing genuine care and interest to befriend someone, not immediately try to convert them.

Eat - Everyone is busy and struggles to find extra time in their schedules. Can you make space over breakfast, lunch, or dinner? A drink?

Serve - Having taken the initiative to pursue friendship, listen for small ways you might practically serve this person.

Share (your story) - Having prayed for, cared for, and served this person, look for opportunities to ask permission to share how Christ has changed your life.

A new tool for blessing your neighbors and connecting with your community has just been released ***The BLESS App!*** This app encourages you to utilize the transformative BLESS practices. Make a difference one friend or neighbor at a time. Download ***The BLESS App*** today and receive daily prompts on how to be a BLESSing to your community and watch how God uses those opportunities to call more people into His family.
